

ATTENTION Medicare Beneficiaries!

Interested in making changes to your healthcare coverage but missed the open enrollment deadline?

You may have a second chance to make that switch!

Who Can Join a Medicare Special Needs Plan (SNP)?

You can join a Medicare SNP if you have Medicare Part A and Part B, live in the plan's service area, and meet one of the following requirements:

- ✔ **You have one or more specific chronic or disabling conditions** (*like diabetes, congestive heart failure, cardiovascular disease, coronary artery disease, chronic obstructive pulmonary disease (COPD), a mental health condition, or HIV/AIDS*)
- ✔ **You live in a medical institution** (*such as a nursing home*), or you require nursing care at home
- ✔ **You have both Medicare and Medi-Cal.**
